Notes

- 1 Medical students have the option to enroll for an additional year beyond the standard 4 year enrollment; these students will not be assessed tuition for that year, however, University/School of Medicine mandatory fees will still apply for the fall and spring semesters.
- 2 Students enrolled in this program are charged tuition and University/School of Medicine mandatory fees only during the fall and spring semesters, even if they enroll in the summer semester. Students in this program are not assessed any charges in summer terms.
- 3 Full term rate based on 9 credit hours.
- 4 Full semester rate and hourly rate are based on 12 credit hours.
- 5 Students will be charged for each clinical rotation, not per term
- 6 These students will not be charged any Athletic Fees, Activity Fees, or General Fees from the University or from the School of Medicine.
- 7 This charge is applicable to international collaborative medical school scholars from China involved in Emory research for two years. The rate is assessed only for the fall and spring semesters of each year, even if they enroll in the summer semester. Students in this program are not assessed any charges in summer terms.
